

PUBLIC NOTICE

Dear Parent or Guardian of Home School or Private School Children Residing in Boling
ISD:

According to Title I regulations, parents that home school or have children in private school can qualify for Title I services if they meet the guidelines specified in the local education agencies Title I application. Please check with the individual campus for details.

1. An Assessment instrument will have to be given to the students showing that they are educationally deficient.
2. If your child qualifies as being educationally disadvantaged, then we can go several ways. You can bring him or her to school for tutorials in our elementary and junior high school or we may be able to purchase some workbooks, etc. for you to work with your child at home.
3. An evaluation report must be done by the parent to show that the child has or has not progressed due to the extra help. If no progress is shown, then we should make an improvement plan. This means we have to state what we are going to do different the following year to increase the student's scores.

If you are interested in this program, please contact Gerald Floyd, Principal at Newgulf Elementary School at 979-657-2837 for children in grades K to 5 and Brett Pohler, Principal at Iago Junior High School at 979-657-2826 for children in grades 6 to 8. If we do not hear from you between now and August 14, 2012 we will assume that you are not interested. We need to complete our application as soon as possible.

Bryan Blanar
Assistant Superintendent
