### **Original Notice - Temporary Free Lunch Program Notice**

Since Boling ISD is an entity operating in a county subject to the declared disaster, school officials were successful in applying for a Temporary Free Lunch Program Waiver. Consequently, from Friday, September 15, 2017 until Friday, September 29, 2017, regular lunch meals will be served to students free of charge. Normal lunch meal prices will resume on Monday, October 2, 2017. Our Free Breakfast Program will not be affected by this waiver, and will continue as usual throughout the school year.
