Notice of Lockdown and Shelter-In-Place Drills

PO BOX 160

To All Parents:

Boling ISD is proud to be able to serve you and your children; and we will continually strive to provide a safe learning environment for them. The safety of all children and staff in our schools is very important to us. In order to maintain a safe environment, it is necessary that we practice our emergency and crisis response plans by having drills designed to exercise our procedures.

Boling ISD will again be conducting Lockdown and Shelter-In-Place drills during the week of March 19th at all campuses. This year, the Wharton County Sheriff's Department leadership will attend so they will be more knowledgeable of our protocol and routines, and help administration evaluate as appropriate. The purpose for the prior notice for these exercises is to reduce related anxieties which miscommunication can bring while drills are taking place. Please understand we will only be practicing Lockdown and Shelter-In-Place drills, not Evacuation or Parent-Student Reunification.

If you have any questions regarding the drills, the Boling ISD Campus Emergency Procedures can be reviewed at www.bolingisd.net or you may contact your child's campus principal.

Sincerely:

Wade Stidvent
Superintendent
